Dear

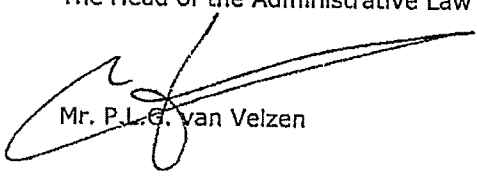

On 20 July 2009 I sent you a number of files concerning the Agreement on encouragement and reciprocal protection of investments between the Kingdom of the Netherlands and the Republic of Tunisia of 11 May 1998 according to your request of 23 June 2009.

By means of your letter, dated 16 September 2009, you stated not to have received documents pertaining to several of your initial requests.

I herewith send you, in addition to the documents you already received, three documents concerning the above mentioned agreement. In both the archives of the Dutch Ministry of Foreign Affairs and the Dutch Ministry of Economic Affairs are no further documents on the subject to be found.

For the sake of personal privacy the names of the negotiators are blanked.
