			Labet1 Utilising humanitarian funding resources from the Danish Region of Origin Initiative, a special programme (2009-2012) is conducted to promote sustainable return and reintegration of Afghan refugees from elighbouring Pakistan and Iran. This programme alins at proving shelter, clean drinking water, and developing income opportunities in areas with high number of returning refugees. It also includes a component proving legal advice to returning refugees. The programme is implemented by the UNHCR, National Solidarity Programme, Danish Committee for Aid to Afghan Refugees (DACAAR), and Norwegian Refugee Council (IRC). The annual allocation for this programme was DKK 65 M in 2009 and is expected to be DKK		Refugees, IDPs and

	44.200.000,00	Denmark	Danish contribution is aligned with the National Education Strategic Plan for Afghanistan (NESP). In 2010, approximately 70 % is donated as aid to the ministry's budget while 30 % is channelled through external executive agents (NGO's, UN agencies) but targeted priorities in the national strategy (NESP). Focus of Denmark's contribution: printing of textbooks, school and dormitory building, girls' education, strategic planning, capacity building, technical and vocational education and training, and administrative reforms. Over the next three years Denmark will increase its focus on sub-national level capacity building (planning and administration). DKK 340 M for a three year period (April 2010 to March 2013) - (1,00 DKK = 0,13 EUR) Promotion of the National Archives as a research resource and supporting the ABLE Boxed	2010-13	Education and vocational training			Denmark expects to be lead donor to the Education Development Board 2010-2011. Denmark is lead donor to a number of delegated areas of cooperation, i.e. through a co-financing agreement with USAID. Denmark administers a contribution of USD 25 M from USAID over the period 2007-2011 (printing of school books) as well as contributions from CIDA and USAID financing an assignment focusing on education sector analysis and appraisal of NESP for Afghanistan's approval of funding from the EFA FTI's Catalytic Fund.	
	61.354,00	Estonia	Library Extension project for sustainable literacy: The goal of this project is to support the Afghanistan National Archives in promoting lis activities and research opportunities, as well as supporting sustainable literacy. The Afghanistan Center at Kabul University (ACKU) will work to identify materials in the archive and to provide a solution for sharing information regarding the archive to researchers and the general public; through the publication of an informative booklet and the creation of a website for the archives. This project is a logical continuation of the previous ACKU project. The secondary goal of this project is to support ACKU in implementing its sustainable literacy project. This project will support the publication of two titles on medical topics, and one on business, by ACKU's Boxed Library Extension project, ABLE. Each ABLE title includes two books, one in Pashto and one in Dari.	2009-10	Education and vocational training	Afghanistan National Archive and wider public		project is implemented by the Afghanistan Centre at Kabul University (ACKU)

March	2009

DAC / CRS CODE	Clarifications / Additional notes on coverage
110 : EDUCATION 111 : Education, level unspecified	The codes in this category are to be used only when level of education is unspecified or unknown (e.g. training of primary school teachers should be coded under 11220).
11110 : Education policy and administrative management	Education sector policy, planning and programmes; aid to education ministries administration and management systems; institution capacity building and advice; school management and governance; curriculum and materials development; unspecified education a
11120 : Education facilities and training	Educational buildings, equipment, materials; subsidiary services to education (boarding facilities, staff housing); language training; colloquia, seminars lectures, etc.
11130 : Teacher training	Teacher education (where the level of education is unspecified); in-service and pre-service training; materials development.
11182 : Educational research	Research and studies on education effectiveness, relevance and quality systematic evaluation and monitoring.
112: Basic education 11220: Primary education	Formal and non-formal primary education for children; all elementary and firs cycle systematic instruction; provision of learning materials.
11230 : Basic life skills for youth and adults	Formal and non-formal education for basic life skills for young people and adults (adults education); literacy and numeracy training.
11240 : Early childhood education	Formal and non-formal pre-school education.
113: Secondary education 11320: Secondary education	Second cycle systematic instruction at both junior and senior levels.
11330 : Vocational training	Elementary vocational training and secondary level technical education; on-the job training; apprenticeships; including informal vocational training.
114 : Post-secondary education 11420 : Higher education	Degree and diploma programmes at universities, colleges and polytechnics scholarships.
11430 : Advanced technical and managerial training	Professional-level vocational training programmes and in-service training.
120 : HEALTH 121 : Health, general	
12110 : Health policy and administrative management	Health sector policy, planning and programmes; aid to health ministries, public health administration; institution capacity building and advice; medical insurance programmes; unspecified health activities.
12181 : Medical education/training 12182 : Medical research	Medical education and training for tertiary level services. General medical research (excluding basic health research).
12191 : Medical services	Laboratories, specialised clinics and hospitals (including equipment and supplies); ambulances; dental services; mental health care; medica rehabilitation; control of non-infectious diseases; drug and substance abuse control [excluding narcotics traffic
122 : Basic health	
12220 : Basic health care	Basic and primary health care programmes; paramedical and nursing care programmes; supply of drugs, medicines and vaccines related to basic health care.
12230 : Basic health infrastructure	District-level hospitals, clinics and dispensaries and related medical equipment excluding specialised hospitals and clinics (12191).
12240 : Basic nutrition	Direct feeding programmes (maternal feeding, breastfeeding and weaning foods child feeding, school feeding); determination of micro-nutrient deficiencies provision of vitamin A, iodine, iron etc.; monitoring of nutritional status; nutrition and food hyg
12250 : Infectious disease control	Immunisation; prevention and control of infectious and parasite diseases, excep malaria (12262), tuberculosis (12263), HIV/AIDS and other STDs (13040). I includes diarrheal diseases, vector-borne diseases (e.g. river blindness and guinea worm), viral di
12261 : Health education	Information, education and training of the population for improving health knowledge and practices; public health and awareness campaigns.
12262 : Malaria control	Prevention and control of malaria.
12263 : Tuberculosis control 12281 : Health personnel development	Immunisation, prevention and control of tuberculosis. Training of health staff for basic health care services.
130 : POPULATION POLICIES/PROGRAMMES AND REPRODUCTIVE HEALTH	
13010 : Population policy and administrative management	Population/development policies; census work, vital registration; migration data demographic research/analysis; reproductive health research; unspecified population activities.
13020 : Reproductive health care	Promotion of reproductive health; prenatal and postnatal care including delivery prevention and treatment of infertility; prevention and management of consequences of abortion; safe motherhood activities.
13030 : Family planning	Family planning services including counselling; information, education and communication (IEC) activities; delivery of contraceptives; capacity building and training.
13040 : STD control including HIV/AIDS	All activities related to sexually transmitted diseases and HIV/AIDS control e.g information, education and communication; testing; prevention; treatment, care.
13081 : Personnel development for population and reproductive health	Education and training of health staff for population and reproductive health care
140 : WATER SUPPLY AND SANITATION	services.
14010 : Water resources policy and administrative management	Water sector policy, planning and programmes; water legislation and management; institution capacity building and advice; water supply assessments and studies; groundwater, water quality and watershed studies; hydrogeology
14015 : Water resources protection	excluding agricultural water re Inland surface waters (rivers, lakes, etc.); conservation and rehabilitation o ground water; prevention of water contamination from agro-chemicals, industria effluents.
14020 : Water supply and sanitation - large systems	Water desalination plants; intakes, storage, treatment, pumping stations conveyance and distribution systems; sewerage; domestic and industrial waste water treatment plants.
14030 : Basic drinking water supply and basic sanitation	Water supply and sanitation through low-cost technologies such as handpumps spring catchment, gravity-fed systems, rain water collection, storage tanks, small distribution systems; latrines, small-bore sewers, on-site disposal (septic tanks).
14040 : River development	Integrated river basin projects; river flow control; dams and reservoirs [excluding dams primarily for irrigation (31140) and hydropower (23065) and activities related to river transport (21040)].
	Municipal and industrial solid waste management, including hazardous and toxic
14050 : Waste management/disposal	waste; collection, disposal and treatment; landfill areas; composting and reuse.

150 : GOVERNMENT AND CIVIL SOCIETY	
151 : Government and civil society, general	Macro-economic, fiscal and monetary policy and planning; social planning;
15110 : Economic and development policy/planning	economic and social analysis and forecasting; development planning and preparation of structural reforms; organisational development; support to ministries involved in aid co-ordina
15120 : Public sector financial management	Strengthening financial and managerial accountability; public expenditure management; improving financial management systems; tax assessment procedures; budget drafting; field auditing; measures against waste, fraud and corruption.
15130 : Legal and judicial development	Constitutional development, legal drafting; institutional strengthening of legal and judicial systems; legal training and education; legal advice and services; crime prevention.
15140 : Government administration	Systems of government including parliament, local government, decentralisation; civil service and civil service reform. Including general services by government (or commissioned by government) not elsewhere specified e.g. police, fire protection; cartogr
15150 : Strengthening civil society	Community participation and development; co-operatives; grassroots organisations; development of other participatory planning and decision making procedures and institutions (see code 15220 for civilian peace-building, conflict prevention and resolution).
15161 : Elections	Electoral assistance and monitoring, voters' education [other than in connection with UN peace building (15230)].
15162 : Human rights	Monitoring of human rights performance; support for national and regional human rights bodies; protection of ethnic, religious and cultural minorities [other than in connection with UN peace building (15230)].
15163 : Free flow of information	Uncensored flow of information on public issues, including activities that increase the professionalism, skills and integrity of the print and broadcast media (e.g. training of journalists).
15164 : Women's equality organisations and institutions	Support for institutions and organisations (governmental and non-governmental) working for gender equality and women's empowerment.
152 : Conflict prevention and resolution, peace and security	N.B. Further notes on ODA eligibility (and exclusions) of conflict, peace and security related activities are given in paragraph 39 of the DAC Statistical Reporting Directives.
15210 : Security system management and reform	Technical co-operation provided to parliament, government ministries, law enforcement agencies and the judiciary to assist review and reform of the security system to improve democratic governance and civilian control; technical co-operation provided to g
15220 : Civilian peace-building, conflict prevention and resolution	Support for civilian activities related to peace building, conflict prevention and resolution, including capacity building, monitoring, dialogue and information exchange.
15230 : Post-conflict peace-building (UN)	Participation in the post-conflict peace-building phase of United Nations peace operations (activities such as human rights and elections monitoring, rehabilitation of demobilised soldiers, rehabilitation of basic national infrastructure, monitoring or r
15240 : Reintegration and SALW control	Reintegration of demobilised military personnel into the economy; conversion of production facilities from military to civilian outputs; technical co-operation to control, prevent and/or reduce the proliferation of small arms and light weapons (SALW) – se
15250 : Land mine clearance	Explosive mine removal for developmental purposes [other than in connection with UN peace-building (15230)].
15261 : Child soldiers (Prevention and demobilisation)	Technical co-operation provided to government – and assistance to civil society organisations – to support and apply legislation designed to prevent the recruitment of child soldiers, and to demobilise, disarm, reintegrate, repatriate and resettle (DDR) c
160 : OTHER SOCIAL INFRASTRUCTURE AND SERVICES	
16010 : Social/ welfare services	Social legislation and administration; institution capacity building and advice; social security and other social schemes; special programmes for the elderly, orphans, the disabled, street children; social dimensions of structural adjustment; unspecified
16020 : Employment policy and administrative management	Employment policy and planning; labour law; labour unions; institution capacity building and advice; support programmes for unemployed; employment creation and income generation programmes; occupational safety and health; combating child labour.
16030 : Housing policy and administrative management	Housing sector policy, planning and programmes; excluding low-cost housing and slum clearance (16040).
16040 : Low-cost housing	Including slum clearance. Basic social services are defined to include basic education, basic health, basic
16050 : Multisector aid for basic social services	nutrition, population/reproductive health and basic drinking water supply and basic sanitation. Including libraries and museums.
16061 : Culture and recreation 16062 : Statistical capacity building	Both in national statistical offices and any other government ministries.
16063 : Narcotics control	In-country and customs controls including training of the police; educational programmes and awareness campaigns to restrict narcotics traffic and in-country distribution.
	Special programmes to address the consequences of HIV/AIDS, e.g. social, legal
16064 : Social mitigation of HIV/AIDS	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by
16064 : Social mitigation of HIV/AIDS 210 : TRANSPORT AND STORAGE	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code
j	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that
210 : TRANSPORT AND STORAGE	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger
210 : TRANSPORT AND STORAGE 21010 : Transport policy and administrative management	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light
210 : TRANSPORT AND STORAGE 21010 : Transport policy and administrative management 21020 : Road transport	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other
210 : TRANSPORT AND STORAGE 21010 : Transport policy and administrative management 21020 : Road transport 21030 : Rail transport 21040 : Water transport	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Raii infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other inland water transport, inland barges and vessels. Airports, airport guidance systems, aeroplanes, aeroplane maintenance
210: TRANSPORT AND STORAGE 21010: Transport policy and administrative management 21020: Road transport 21030: Rail transport 21040: Water transport 21050: Air transport	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other inland water transport, inland barges and vessels. Airports, airport guidance systems, aeroplane maintenance equipment.
210 : TRANSPORT AND STORAGE 21010 : Transport policy and administrative management 21020 : Road transport 21030 : Rail transport 21040 : Water transport	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport, activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other inland water transport, inland barges and vessels. Airports, airport guidance systems, aeroplanes, aeroplane maintenance equipment. Whether or not related to transportation.
210: TRANSPORT AND STORAGE 21010: Transport policy and administrative management 21020: Road transport 21030: Rail transport 21040: Water transport 21050: Air transport 21061: Storage 21081: Education and training in transport and storage 22010: Communications policy and administrative management	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport; activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other inland water transport, inland barges and vessels. Airports, airport guidance systems, aeroplanes, aeroplane maintenance equipment. Whether or not related to transportation. Communications sector policy, planning and programmes; institution capacity building and advice; including postal services development; unspecified communications activities.
2101: TRANSPORT AND STORAGE 21010: Transport policy and administrative management 21020: Road transport 21030: Rail transport 21040: Water transport 21050: Air transport 21061: Storage 21081: Education and training in transport and storage	and economic assistance to people living with HIV/AIDS including food security and employment; support to vulnerable groups and children orphaned by HIV/AIDS; human rights of H Note: Manufacturing of transport equipment should be included under code 32172. Transport sector policy, planning and programmes; aid to transport ministries; institution capacity building and advice; unspecified transport, activities that combine road, rail, water and/or air transport. Road infrastructure, road vehicles; passenger road transport, motor passenger cars. Rail infrastructure, rail equipment, locomotives, other rolling stock; including light rail (tram) and underground systems. Harbours and docks, harbour guidance systems, ships and boats; river and other inland water transport, inland barges and vessels. Airports, airport guidance systems, aeroplanes, aeroplane maintenance equipment. Whether or not related to transportation. Communications sector policy, planning and programmes; institution capacity building and advice; including postal services development; unspecified

22040 : Information and communication technology (ICT)	Computer hardware and software; internet access; IT training. When sec cannot be specified.
230 : ENERGY GENERATION AND SUPPLY	
23010 : Energy policy and administrative management	Energy sector policy, planning and programmes; aid to energy ministri institution capacity building and advice; unspecified energy activities includenergy conservation.
23020 : Power generation/non-renewable sources	Thermal power plants including when heat source cannot be determin combined gas-coal power plants.
23030 : Power generation/renewable sources	Including policy, planning, development programmes, surveys and incentiv Fuelwood/ charcoal production should be included under forestry (31261).
23040 : Electrical transmission/ distribution	Distribution from power source to end user; transmission lines.
23050 : Gas distribution 23061 : Oil-fired power plants	Delivery for use by ultimate consumer. Including diesel power plants.
23062 : Gas-fired power plants	including dieser power plants.
23063 : Coal-fired power plants	halada a anda a afita
23064 : Nuclear power plants 23065 : Hydro-electric power plants	Including nuclear safety. Including power-generating river barges.
23066 : Geothermal energy	
23067 : Solar energy 23068 : Wind power	Including photo-voltaic cells, solar thermal applications and solar heating. Wind energy for water lifting and electric power generation.
23069 : Ocean power	Including ocean thermal energy conversion, tidal and wave power.
23070 : Biomass	Densification technologies and use of biomass for direct power general including biogas, gas obtained from sugar cane and other plant residuanaerobic digesters.
23081 : Energy education/training	Applies to all energy sub-sectors; all levels of training.
23082 : Energy research	Including general inventories, surveys.
240 : BANKING AND FINANCIAL SERVICES	Finance sector policy, planning and programmes; institution capacity building a
24010 : Financial policy and administrative management 24020 : Monetary institutions	advice; financial markets and systems. Central banks.
24030 : Formal sector financial intermediaries	All formal sector financial intermediaries; credit lines; insurance, leasing, vent capital, etc. (except when focused on only one sector).
24040 : Informal/semi-formal financial intermediaries 24081 : Education/training in banking and financial services	Micro credit, savings and credit co-operatives etc.
250 : BUSINESS AND OTHER SERVICES	
25010 : Business support services and institutions	Support to trade and business associations, chambers of commerce; legal a regulatory reform aimed at improving business and investment climate; priv sector institution capacity building and advice; trade information; public-priv sector networking
25020 : Privatisation	When sector cannot be specified. Including general state enterp restructuring or demonopolisation programmes; planning, programming, advice
311 : AGRICULTURE	
31110 : Agricultural policy and administrative management	Agricultural sector policy, planning and programmes; aid to agricultural ministr institution capacity building and advice; unspecified agriculture.
31120 : Agricultural development	Integrated projects; farm development.
31130 : Agricultural land resources	Including soil degradation control; soil improvement; drainage of water log- areas; soil desalination; agricultural land surveys; land reclamation; eros control, desertification control.
31140 : Agricultural water resources	Irrigation, reservoirs, hydraulic structures, ground water exploitation
31150 : Agricultural inputs	agricultural use. Supply of seeds, fertilizers, agricultural machinery/equipment.
31161 : Food crop production	Including grains (wheat, rice, barley, maize, rye, oats, millet, sorghu horticulture; vegetables; fruit and berries; other annual and perennial crops. [l code 32161 for agro-industries.]
31162 : Industrial crops/export crops	Including sugar; coffee, cocoa, tea; oil seeds, nuts, kernels; fibre crops; tobac rubber. [Use code 32161 for agro-industries.]
31163 : Livestock	Animal husbandry; animal feed aid.
31164 : Agrarian reform 31165 : Agricultural alternative development	Including agricultural sector adjustment. Projects to reduce illicit drug cultivation through other agricultural marketing production opportunities (see code 43050 for non-agricultural alterna
31166 : Agricultural extension	development). Non-formal training in agriculture.
31181 : Agricultural education/training 31182 : Agricultural research	Plant breeding, physiology, genetic resources, ecology, taxonomy, disecontrol, agricultural bio-technology; including livestock research (animal hea
31191 : Agricultural services	breeding and genetics, nutrition, physiology). Marketing policies & organisation; storage and transportation, creation strategic reserves.
31192 : Plant and post-harvest protection and pest control	Including integrated plant protection, biological plant protection activities, suj and management of agrochemicals, supply of pesticides, plant protection po
31193 : Agricultural financial services	and legislation. Financial intermediaries for the agricultural sector including credit schemes; of insurance.
31194 : Agricultural co-operatives	Including farmers' organisations.
31195 : Livestock/veterinary services 312 : FORESTRY	Animal health and management, genetic resources, feed resources.
31210 : Forestry policy and administrative management	Forestry sector policy, planning and programmes; institution capacity building advice; forest surveys; unspecified forestry and agro-forestry activities.
31220 : Forestry development	Afforestation for industrial and rural consumption; exploitation and utilisat erosion control, desertification control; integrated forestry projects.
	Forestry development whose primary purpose is production of fuelwood charcoal.
31261 : Fuelwood/charcoal	
	Individual autificial approximation and the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first terms of the first t
31281 : Forestry education/training	
31281 : Forestry education/training 31282 : Forestry research 31291 : Forestry services	Including artificial regeneration, genetic improvement, production method fertilizer, harvesting.
31281 : Forestry education/training 31282 : Forestry research 31291 : Forestry services 3131: FISHING	fertilizer, harvesting. Fishing sector policy, planning and programmes; institution capacity building
31281 : Forestry education/training 31282 : Forestry research 31291 : Forestry services 3131: FISHING 31310 : Fishing policy and administrative management	fertilizer, harvesting. Fishing sector policy, planning and programmes; institution capacity building advice; ocean and coastal fishing; marine and freshwater fish surveys prospecting; fishing boats/equipment; unspecified fishing activities.
31261 : Fuelwood/charcoal 31281 : Forestry education/training 31282 : Forestry research 31291 : Forestry services 313: FISHING 31310 : Fishing policy and administrative management 31320 : Fishery development	fertilizer, harvesting. Fishing sector policy, planning and programmes; institution capacity building advice; ocean and coastal fishing; marine and freshwater fish surveys a prospecting; fishing boats/equipment; unspecified fishing activities.
31281 : Forestry education/training 31282 : Forestry research 31291 : Forestry services 313: FISHING 31310 : Fishing policy and administrative management	Fishing sector policy, planning and programmes; institution capacity building advice; ocean and coastal fishing; marine and freshwater fish surveys a prospecting; fishing boats/equipment; unspecified fishing activities. Exploitation and utilisation of fisheries; fish stock protection; aquacultuments.

	Industrial sector policy, planning and programmes; institution capacity building
32110 : Industrial policy and administrative management	and advice; unspecified industrial activities; manufacturing of goods not specified
32120 : Industrial development	below.
32130 : Small and medium-sized enterprises (SME) development	Direct support to the development of small and medium-sized enterprises in the
32140 : Cottage industries and handicraft	industrial sector, including accounting, auditing and advisory services.
32161 : Agro-industries	Staple food processing, dairy products, slaughter houses and equipment, meat and fish processing and preserving, oils/fats, sugar refineries,
32162 : Forest industries	beverages/tobacco, animal feeds production. Wood production, pulp/paper production.
32163 : Textiles, leather and substitutes	Including knitting factories.
32164 : Chemicals	Industrial and non-industrial production facilities; includes pesticides production.
32165 : Fertilizer plants	
32166 : Cement/lime/plaster 32167 : Energy manufacturing	Including gas liquefaction; petroleum refineries.
32168 : Pharmaceutical production	Medical equipment/supplies; drugs, medicines, vaccines; hygienic products.
32169 : Basic metal industries 32170 : Non-ferrous metal industries	Iron and steel, structural metal production.
32171 : Engineering	Manufacturing of electrical and non-electrical machinery, engines/turbines.
32172 : Transport equipment industry	Shipbuilding, fishing boats building, railroad equipment; motor vehicles and motor passenger cars; aircraft; navigation/guidance systems. Including industrial standards; quality management; metrology; testing;
32182 : Technological research and development	accreditation; certification.
322 : MINERAL RESOURCES AND MINING	Mineral and mining sector policy, planning and programmes; mining legislation,
32210 : Mineral/mining policy and administrative management	mining cadastre, mineral resources inventory, information systems, institution capacity building and advice; unspecified mineral resources exploitation.
32220 : Mineral prospection and exploration	Geology, geophysics, geochemistry; excluding hydrogeology (14010) and environmental geology (41010), mineral extraction and processing, infrastructure, technology, economics, safety and environment management.
32261 : Coal	Including lignite and peat. Petroleum, natural gas, condensates, liquefied petroleum gas (LPG), liquefied
32262 : Oil and gas	natural gas (LNG); including drilling and production.
32263 : Ferrous metals 32264 : Nonferrous metals	Iron and ferro-alloy metals. Aluminium, copper, lead, nickel, tin, zinc.
32265 : Precious metals/materials	Gold, silver, platinum, diamonds, gemstones.
32266 : Industrial minerals	Baryte, limestone, feldspar, kaolin, sand, gypsym, gravel, ornamental stones.
32267 : Fertilizer minerals	Phosphates, potash.
32268 : Offshore minerals 323 : CONSTRUCTION	Polymetallic nodules, phosphorites, marine placer deposits.
32310 : Construction policy and administrative management	Construction sector policy and planning; excluding construction activities within
331 : TRADE POLICY AND REGULATIONS AND TRADE-RELATED	specific sectors (e.g., hospital or school construction).
ADJUSTMENT	
33110 : Trade policy and administrative management	Trade policy and planning; support to ministries and departments responsible for trade policy; trade-related legislation and regulatory reforms; policy analysis and implementation of multilateral trade agreements e.g. technical barriers to trade and sanit
33120 : Trade facilitation	Simplification and harmonisation of international import and export procedures (e.g. customs valuation, licensing procedures, transport formalities, payments, insurance); support to customs departments; tariff reforms.
33130 : Regional trade agreements (RTAs)	Support to regional trade arrangements [e.g. Southern African Development Community (SADC), Association of Southeast Asian Nations (ASEAN), Free Trade Area of the Americas (FTAA), African Caribbean Pacific/European Union (ACP/EUI), including work on techn
33140 : Multilateral trade negotiations	Support developing countries' effective participation in multilateral trade negotiations, including training of negotiators, assessing impacts of negotiations; accession to the World Trade Organisation (WTO) and other multilateral trade-related organisati
33150 : Trade-related adjustment	Contributions to the government budget to assist the implementation of recipients' own trade reforms and adjustments to trade policy measures by other countries; assistance to manage shortfalls in the balance of payments due to changes in the world tradin
33181 : Trade education/training	Human resources development in trade not included under any of the above codes. Includes university programmes in trade.
332 : TOURISM	sease. Included differency programmed III trade.
33210 : Tourism policy and administrative management 400 : MULTISECTOR/CROSS-CUTTING	
410 : General environmental protection	Non-sector specific.
41010 : Environmental policy and administrative management	Environmental policy, laws, regulations and economic instruments; administrational institutions and practices; environmental and land use planning and decision-making procedures; seminars, meetings; miscellaneous
41020 : Biosphere protection	conservation and protection measures not s Air pollution control, ozone layer preservation; marine pollution control.
41030 : Bio-diversity	Including natural reserves and actions in the surrounding areas; other measures to protect endangered or vulnerable species and their habitats (e.g. wetlands preservation).
41040 : Site preservation	Applies to unique cultural landscape; including sites/objects of historical,
·	archeological, aesthetic, scientific or educational value. Floods from rivers or the sea; including sea water intrusion control and sea level
41050 : Flood prevention/control	rise related activities.
41081 : Environmental education/ training	Including establishment of databases, inventories/accounts of physical and
41082 : Environmental research	natural resources; environmental profiles and impact studies if not sector specific.
430 : Other multisector 43010 : Multisector aid	
43030 : Urban development and management	Integrated urban development projects; local development and urban management; urban infrastructure and services; municipal finances; urban environmental management; urban development and planning; urban renewal and urban housing; land information systems

43040 : Rural development	Integrated rural development projects; e.g. regional development planning; promotion of decentralised and multi-sectoral competence for planning, co- ordination and management; implementation of regional development and measures (including natural reser
43050 : Non-agricultural alternative development	Projects to reduce illicit drug cultivation through, for example, non-agricultural income opportunities, social and physical infrastructure (see code 31165 for agricultural alternative development).
43081 : Multisector education/training 43082 : Research/scientific institutions	Including scholarships. When sector cannot be identified.
500 : COMMODITY AID AND GENERAL PROGRAMME ASSISTANCE	Note: Sector specific programme assistance is to be included in the respective
500 : COMMODITY AID AND GENERAL PROGRAMME ASSISTANCE	sectors, using the sector programme flag if appropriate. Budget support in the form of sector-wide approaches (SWAps) should be
510 : General budget support	included in the respective sectors.
51010 : General budget support	Unearmarked contributions to the government budget; support for the implementation of macroeconomic reforms (structural adjustment programmes, poverty reduction strategies); general programme assistance (when not allocable by sector).
520 : Developmental food aid/Food security assistance	
52010 : Food aid/Food security programmes	Supply of edible human food under national or international programmes including transport costs; cash payments made for food supplies; project food aid and food aid for market sales when benefiting sector not specified; excluding emergency food aid.
530 : Other commodity assistance	Non-food commodity assistance (when benefiting sector not specified).
53030 : Import support (capital goods) 53040 : Import support (commodities)	Capital goods and services; lines of credit. Commodities, general goods and services, oil imports.
600 : ACTION RELATING TO DEBT	
60010 : Action relating to debt	Actions falling outside the code headings below; training in debt management.
60020 : Debt forgiveness	
60030 : Relief of multilateral debt	Grants or credits to cover debt owed to multilateral financial institutions; including contributions to Heavily Indebted Poor Countries (HIPC) Trust Fund.
60040 : Rescheduling and refinancing	
60061 : Debt for development swap	Allocation of debt claims to use for development (e.g., debt for education, debt for environment).
60062 : Other debt swap	Where the debt swap benefits an external agent i.e. is not specifically for development purposes.
60063 : Debt buy-back	Purchase of debt for the purpose of cancellation.
700 : HUMANITARIAN AID	Within the overall definition of ODA, humanitarian aid is assistance designed to save lives, alleviate suffering and maintain and protect human dignity during and in the aftermath of emergencies. To be classified as humanitarian, aid should be
	consistent
