Name programme	Lead Party	Consortium Partners	Amount
<u>Link Up</u> DSO/GA: Els Klinkert	International HIV/AIDS Alliance	The Athena Network, Global Youth Coalition on HIV/aids, Marie Stopes International, Population Council, STOP AIDS NOW.	€ 30.694.876,54
By 'linking up' the programme aims to make a significant contribution to the integration of vital SRHR interventions and generate important evidence to aid the broader SRHR/HIV integration movement. Link Up has been designed to provide young people with age appropriate information and services to ensure comprehensive sexuality education and targeted commodities and services in generalized epidemics in Burundi, Ethiopia, Uganda, and concentrated epidemics in Bangladesh, Burma.			
<u>Making sexual and reproductive health work for the next generation</u> DSO/GA: Monique Kamphuis	CORDAID	Swiss TPH, I+ solutions, HDP.	€ 29.644.452,97
An innovative combination interventions which links Performance Based Financing initiatives with supply chain management, entrepreneurial approaches (Pharmacy in the Box) and changes in social cultural barriers through involvement of men, local leaders and Faith Based Health institutions. An estimated 2 million women will have access to family planning and 1,8 million young will be reached by services targeting youth			
<u>ASK (Access, Services and Knowledge) what young people want, what young people need</u> DSO/GA: Desiree Ooft	Rutgers WPF	AMREF CHOICE for youth and sexuality, Dance4life, IPPF, Simavi, STOP AIDS NOW	€ 29.660.670,48
The programme aims to improve the SRHR of young people (10-24 years) by increasing young people's SRHR Access, Services and Knowledge. The programme has a youth centered approach , aiming to ensure a minimum package of youth friendly services, direct access to information as well as comprehensive sexuality education and an enabling environment			

Category B

Name programme	Lead Party	Consortium Partners	Amount
<u>MenCare: Engaging Men as Caregiving Partners in SRHR and MCH</u> DSO/GA: Marcel de Kort	Rutgers WPF	Promundo Promundo-US	€ 8.677.554,13

<p>The central objective of the MenCare Programme is to address harmful social and cultural norms and behaviours that negatively impact SRHR and MCH outcomes, by engaging young and adult men as caregiving partners. This programme will influence the SRH status of women and men positively, specifically by addressing prevailing norms of masculinity and inadequate SRH information and services.</p>			
<p><i>Staying Alive! Making Maternal health work in Kenya, Uganda and Malawi</i></p> <p>DSO/GA: Monique Kamphuis</p>	<p>AMREF Flying Doctors</p>	<p>n.a.</p>	<p>€ 6.602.657,96</p>
<p>The goal of this programme is to reduce maternal mortality and morbidity (specifically fistula incidence) by improving the quality of direct and indirect maternal care, timely identification and referral of complications, and availability of the right skills, supplies and capacities. AMREF will do this by for instance providing training for health workers, stocking clinics, community engagement and strengthening post abortion care.</p>			
<p><i>SHARP: South Sudan Health Action and Research Project</i></p> <p>Namens DSO/GA: Dia Timmermans (Juba)</p>	<p>Royal Tropical Institute (KIT)*</p>	<p>HealthNet TPO, Cordaid, International Medical Corps UK</p>	<p>€ 8.289.181,45</p>
<p>This programme is a multifaceted intervention to reduce maternal mortality and improving accessibility of reproductive health care in three states of South Sudan. The programme has four pillars: Improving access to and utilization of Emergency Obstetric and Newborn Care services ; empowering communities to claim and exercise ownership over services; building professional capacity to meet unmet needs and expectations, at all levels; operational research to generate context appropriate knowledge</p>			
<p><i>Keep it Real: youth-centered Comprehensive Sexual Education (CSE) in Ethiopia and Uganda</i></p> <p>DSO/GA: Vincent Snijders</p>	<p>Save the Children Nederland</p>	<p>n.a.</p>	<p>€ 6.430.606,46</p>
<p>Keep it Real is a Comprehensive Sexuality Education programme for in school and out of school youth in rural as well as urban areas in Ethiopia and Uganda. They will aim to reach a large group of very young adolescents and youth in different settings and educating young people to make sure that they are equipped to make healthier choices about their sexuality.</p>			

Category C

Name programme	Lead Party	Consortium Partners	Amount
<p><i>Global Dialogues: Connecting Voices of Youth</i></p>	<p>Humanist Institute for Cooperation with Developing Countries (Hivos)</p>	<p>n.a.</p>	<p>€ 1.297.792,13</p>

DSO/GA: Vincent Snijders			
<p>This programme's goal is to bring different youths, including marginalized youth, together on SRHR issues with an explicit focus on addressing sexual diversity. The main medium that will be used is film, both through local as well as global competitions youth will get the chance to let their voices be heard and foster a 'global' dialogue.</p>			
<p><i>Exploring new ways of improving sexual health and wellbeing of young males in Bangladesh and Kenya through a motivational intervention approach (MI+).</i></p> <p>DSO/GA: Marcel de Kort</p>	Royal Tropical Institute (KIT)	GGD Amsterdam AMREF Bandhu Social Welfare Organization	€ 1.253.706,48
<p>For this proposal a Motivational Intervention (MI+) approach has been developed that focuses on young male sexual and reproductive health roles and responsibilities. The client-centred MI+ programme aims to change the way in which health professionals and peer educators engage with young MSM in Bangladesh and young male in Kenya; and introduce a genuinely new dimension to the provider-client and peer educator/peer interaction, eliciting and strengthening clients' motivation for change.</p>			
<p><u>Netherlands HERproject</u></p> <p>DSO/GA: Ger Steenbergen</p>	Business for Social Responsibility	n.a.	€ 1.237.732,28
<p>HER (Health Enables Returns) project, or, is an initiative that catalyses partnerships between the private sector and local NGOs to ensure delivering of SRHR education to low-income women workers in Bangladesh and Kenya, driving changes in attitude to make better choices, access to critical resources, uptake of those services, and confidence to act on and improve their SRHR.. In Ethiopia, Ghana, Rwanda and Uganda, BSR will implement research to confirm the specific needs of women working in a variety of export oriented sectors to eventually expand the HERproject to at least two of these countries.</p>			
<p><u>Faith to Action project</u></p> <p>DSO/GA: Daisy Walburg</p>	Deutsche Stiftung Weltbevoelkerung (DSW)	African Council for Religious Leaders- Religions for Peace (ACRL-RfP) Catholic Organisation for Relief and Development Aid (CORDAID)	€ 1.202.899,43
<p>The central objective of this programme is to increase faith organizations' (FOs) commitment to and provision of SRHR information to young people, access to commodities, services and respects of rights. This will be achieved by establishing a global interfaith advocacy network which is coordinated as an effective platform for dialogue and advocacy on SRHR, and by increasing FOs participation and engagement in policy making processes.</p>
