Decision NK 2646		6423	

Dear xxxxxxxx,

By letter of Februari 8, 2002, I informed you that the Polak-committee (the advisory committee on assessment of restitution applications) would review your claim to the above mentioned art object. On March 25, 2002 I received the advice of the committee, of which I send you a copy in Dutch and one in English language.

The committee has advised me to grant your request.

I have decided to follow the advice and honour your claim as a representative of the heir of the painting. In case you should notice a slight difference between the Dutch and English version of the advice, the Dutch version prevails.

I have asked the Institute Collectie Nederland (ICN), as administrator of the NK-collection, to contact you in order to make arrangements relating to the actual restitution of the painting.

With kind regards,
The State Secretary for Education,
Culture and Science,

dr. F. van der Ploeg.
