Electrical control panel with multiple rows of terminals and switches. The top row of terminals is labeled with numbers 40, 41, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39. A central switch is labeled 'KOPFLAAT'. To the right, there are two rows of switches labeled 'OVERDAG' and 'NACHT', and a terminal block labeled 'INTERCOM'.

Vertical bundle of yellow cables with labels: 'METSCHMETROM', '1', '2', '3', '4', '5', '6', '7', '8', 'KOPFLAAT', '16', '18', '19', '20', '21', '22', '23', '24', '25', '26', '27', '28', '29', '30', '31', '32', '33', '34', '35', '36', '37', '38', '39', '40', '41', 'APPARAAT', 'APPARAAT'.

Black electrical meter with a digital display showing '54495 kWh' and 'kW/h'. The meter is mounted vertically and has a red emergency stop button on the side.

White electrical meter with a digital display showing '54495 kWh' and 'kW/h'. The meter is mounted vertically and has a red emergency stop button on the side. Below the meter is a terminal block labeled 'LOKALE VO' and 'VOOR BEZETTING ZIE AON. GEN. ELECTRIC. VOX 8100'.

Large bundle of grey cables on the right side of the panel, organized into a neat vertical stack. Some cables are bundled together with black zip ties.
